2016 Client Services

For people with epilepsy, the social, psychological, and behavioral problems that accompany the disorder can be far more devastating than the seizures themselves. The direct client services provided by the Epilepsy Foundation are designed to support and educate individuals with epilepsy, as well as their families, to minimize the negative impact of seizures on their lives. Epilepsy Foundation direct client services include:

- individual and family counseling
- information and referral
- case management
- daily living skills training
- patient education & self management
- support groups
- **PACE** educational support network
- **Familias unidas con niños con necesidades especiales**
- Siblings Day
- emergency medications
- Becker Law Office Micro-loan Program
- employment assistance
- Adult Retreat Weekend
- Summer Camp for Kids with Epilepsy
- Teens Speak Up Program

2016 Community Education & Advocacy

Negative attitudes about epilepsy persist so people with epilepsy or their family members continue to request education for classrooms, co-workers, and other service providers. Educational efforts on behalf of our clients fall under the category of indirect services and include:

- **School Programs**
Age appropriate presentations for K through 5
Take Charge of the Facts for 5 through 12
Managing Students with Seizures
(for school nurses and school personnel)
- **Adult Education**
Programs tailored for professional groups
Epilepsy: A Positive ID
(for first responders and jail personnel)
Take Another Look
(for police departments)
- **Advocacy**
at school
in the workplace
in the home
public policy advocacy
